- If you wish to be added to the CLIA Turtle Island waitlist, please check here _____. Names will be placed in date order the request was received. (If you currently have a boat in a slip, do not request to be on the waitlist. There are many members with boats that would like a slip)
- Slips will be assigned on a first come, first serve basis, as they become available. Each year a new waitlist will be created to refresh the list.
- If you have a Turtle Island slip, please record the NEW slip number that is located on the actual slip NOT from your past invoices. With the exception of South Dock, all slips have clearly labeled numbers.
- The hull ID # for a rowboat can be found on the stern (back) of the boat. The hull ID for a kayak/canoe can be found around the bow (front) of the boat.
